**SUPPLEMENTARY INFORMATION:** On July 2, 1982, I.O.O.F. Lodge No. 75 submitted an application to purchase 1.12 acres of land for expansion of the existing French Gulch Cemetery. On January 17, 1983, the land described below was classified as suitable for lease or sale under the Recreation and Public Purposes Act of June 14, 1926, as amended (43 U.S.C. 869 *et seq.*). The land was segregated from appropriation under the public lands laws and the general mining laws. The Classification Decision was published in the **Federal Register**, on February 1, 1983 (48 FR 2559). On December 27, 1983, because the applicant had failed to comply with the terms of the lease offer, the application was denied. No appeal was filed within the time allowed and the case was closed. Pursuant to the Recreation and Public Purposes Act of June 14, 1926, as amended (43 U.S.C. 869 *et seq.*), and the regulations contained in 43 CFR 2091.7-1(b)(1)(ii), Recreation and Public Purposes Classification, CACA 12930, is hereby terminated in its entirety and the segregation for the following described land is hereby terminated:

At 10 a.m. on July 28, 1995, the land will be opened to the operation of the public land laws generally, subject to valid existing rights, the provision of existing withdrawals, other segregations of record, and the requirement of applicable law. All valid applications received at or prior to 10 a.m. on July 28, 1995 shall be considered as simultaneously filed at that time. Those received thereafter shall be considered in the order of filing.

At 10 a.m. on July 28, 1995, the land will be opened to location and entry under the United States mining laws, subject to valid existing rights, the provisions of existing withdrawals, other segregations of record, and the requirements of applicable law. Appropriation of any of the land described in this order under the general mining laws prior to the date and time of restoration is unauthorized. Any such attempted appropriation, including attempted adverse possession under 30 U.S.C. 38 (1988), shall vest no

rights against the United States. Acts required to establish a location and to initiate a right of possession are governed by State law where not in conflict with Federal law. The Bureau of Land Management will not intervene in disputes between rival locators over possessory rights since Congress has provided for such determination in local courts.
